Traditionally on Easter Thursday the κουλουράκια (Easter biscuits), τσουρέκια (Easter sweet bread) and red eggs are made. On Good Friday the Επιτάφιο (Christ's tomb) is decorated with flowers. Christ is taken down off the cross and placed on the Επιτάφιο. On Friday evening we carry the Επιτάφιο around the block. On Easter Saturday we attend church at midnight to sing Χριστός Ανέστη and celebrate Christ's resurrection. Upon our return from church we eat μαγειρίτσα (Easter Soup) and crack our red eggs. On Easter Sunday we continue our celebrations by roasting lamb on the spit and spending the day with relatives and friends.</p> <div style="text-align: right;">  </div>
